**Subject:** Failure of the Microsoft Anti-Trust Settlement

Dear Attorneys General,

The DOJ settlement with Microsoft is an ineffective half-measure that will only damage the principles and the practice of free competition. While acknowledging that Microsoft has acted to stifle competition, it does not do enough to prevent this from happening in the future, let alone address compensation for past actions. I urge each of the state Attorneys General to continue fighting for a settlement that adequately prevents monopolistic actions that threaten the U.S. economy. I also urge the DOJ to reject the settlement proposal work for one that assures free competition in the marketplace.

Sincerely,

Chris Voudouris
